August 3, 2009

Dear Sponsor:

The Friendship Community Development Corporation invites you to participate in a wonderful sponsorship opportunity by supporting ***My Sister's House-Transitional Living Center***. The **Inaugural My Sister's House Charity Golf Tournament** will take place on Thursday September 24, 2009 at Springfield Golf Club in Fort Mill, SC. Your gift will contribute greatly to the success of our event and help to operate and maintain the permanent year round 26 bed transitional living center for single homeless women.

The Friendship Community Development Corporation (FCDC) has been serving the community since 2004. ***My Sister's House*** fully embodies the mission of the FCDC to serve, facilitate and build community through sustained human development. This mission is accomplished thorough educating, empowering, and encouraging women in a transitional state to develop life skills which lead to independence and sustainability. Residents commit to completing their high school education through an onsite GED program and to job readiness education offered through Cornerstone Career Development, another Friendship Community Development Corporation program. While working on fiscal preparation for independent living, the women also build life skills to help avoid the crisis which led to homelessness.

***My Sister's House*** began as a Temporary Emergency Homeless Shelter program in 2007 at the Friendship Campus located on Beatties Ford Rd. Over 100 women have received shelter and assistance through the temporary program. In the years to come the effort will continue and strengthen at ***My Sister's House***, a permanent year round facility, to combat homelessness and end the cycle of erratic transitional living.

We would love to have you come out and play a round of golf with us or participate as a sponsor. Our Board Chair, Dr. Cliff Jones will kick off the event by teeing off the first shot of the tournament. Join us for a great day of golf and fellowship.

Please see the enclosed sponsor information sheet. We appreciate all gifts. In addition to the sponsorship levels listed, we are also in need of prizes for our raffle and silent auction. Raffles prizes include gift cards, gift certificates, and donated gifts. Silent Auction items include autographed and collector's items. Also business card size ads may be purchased in the program booklet for \$50. Please contact us to answer any questions.

Thank you again for your kind generosity. We are truly grateful for your support.

Sincerely,

C. Jennifer Coble, Esq.
